

# Home Collection Service For Used Motor Oil, Electronics, Household Cleaners, Pesticides, and more.

There is a convenient service offered to single family home residents in Wilton Manors for the proper disposal or recycling of home-generated special materials.

## Prior to Collection Day

- Step #1:** You must contact **At Your Door** at least 10 days in advance in order to obtain your collection kit and to arrange collection at your home:

- Website: [WMATYOURDOOR.COM](http://WMATYOURDOOR.COM), or
- Call: 800-449-7587 (Monday-Friday, 8:00 AM-8:00 PM), or
- Email: [ATYOURDOOR@WM.COM](mailto:ATYOURDOOR@WM.COM)

An **At Your Door** representative will ask the quantity and types of materials you want collected, so be prepared with this information.

Your collection kit will provide the guidelines for using the **At Your Door** program.

- Step #2:** Refer to the Collection Schedule (shown on reverse) to determine the date your HHW will be collected. Your representative will verify the collection date when you schedule your pick-up.

## On Collection Day

- Step #3:** Set your materials on your doorstep or near your garage by 7:00 AM.

If your materials are not collected by 5:00 PM on your scheduled day of collection, contact Wilton Manors by calling (954) 390-2190.
