SUMMARY: This is the Wilton Manors Police Department with an important message. We want you to be aware there has been a Sexual Predator living in your area. On April 2, 2018 the Wilton Manors Police Department learned Collins, who is a registered sexual predator, was residing at 2435 N. Dixie Highway, Wilton Manors, Broward County, Florida in violation of our City's code of ordinances. We immediately launched an investigation and identified Collins had been living at this address for several years, and in doing so he failed to comply with Florida law requiring him to re-register at this address with the proper authorities that would have prompted notice to our Agency and our community. Due to this criminal violation of law Collins was arrested this same date and turned over to the Broward County Jail where he remains in their custody at this time. City ordinance prohibits Collins from residing at this address, and our Agency will ensure compliance with this mandate is achieved. Collins is NOT wanted by Law Enforcement at this time, and this information should not be used to harass him, vandalize his property, or facilitate any other crime against him. Anyone having information about Collins or his activities should contact Detective David Turner at 954-390-2165/dturner@wmpd.org or CrimeStoppers at (954) 493-TIPS (8477).
