- All fees shall be paid to the City of Wilton Manors at the time of application submittal.
- Overall costs for processing individual applications will vary based on type of application and required review time.
- Professional and legal service fees will be based upon full cost recovery meaning all fees associated with processing a specific application that requires an outside consultant, including legal review, will be obtained through the Professional and Legal Services escrow. Once the escrow for Professional and Legal Services gets below \$150.00, additional funds will be required to be deposited into this escrow account. Any remaining escrow funds will be refunded once the project has obtained a Certificate of Occupancy or Certificate of Completion. The applicant is responsible for requesting the refund.
- Any fees associated with an individual application as required by another government entity such as Broward County shall also be the responsibility of the applicant. An example of such fees includes fees for re-certification of the City land use map by Broward County subsequent to amendment of the City land use map.

LETTER OF DETERMINATION

The minimum fee for letters of determination (zoning, land use, etc.) is established at \$75.00 per letter of determination. Overall costs of preparing an individual letter of determination will vary based on the complexity of the individual request. The overall cost of preparing an individual letter of determination shall be determined by the Director of Community Development Services on a case-by-case basis, based upon hourly rates, including benefits. If the overall cost of preparing a letter of determination exceeds the minimum fee of \$75.00, the individual requesting the letter of determination shall be responsible for such cost in addition to the minimum fee. Staff and consultant fees will vary depending on the complexity of the individual request.

BUILDING PERMITS

Building Permit fees shall be paid at the time of building permit application submittal and shall be based upon the cost of construction as attested to by the applicant on the submitted building permit application. The Building Official, in addition to verifying the completeness and accuracy of the application, shall review the application for the cost of construction. If the Building Official determines that the cost of construction attested to does not accurately reflect the cost of construction for the scope of work covered by the permit, he or she can use any of the following to calculate the fee:

1. Copy of a signed contract for work to be completed under requested permit.

STORMWATER UTILITY FEES

The Stormwater Utility User Fee per month shall be calculated per Equivalent Residential Unit (ERU).

	Rate Per Unit	Monthly Rate Per Unit
Single-Family Residential	1.0 ERU	\$6.15
Multi-Family – Single-story	0.7 ERU	\$4.31
Multi-Family - Multistory	0.5 ERU	\$3.09

For Commercial, which is defined as not exclusively residential, the stormwater utility user fee rate will be calculated in accordance with Section 20-114 of the Code, as follows:

The fee imposed for commercial properties, as defined herein, shall be the rate for one (1) ERU, multiplied by the numerical factor obtained by dividing the total impervious area of a commercial property by the ERU factor (ERU rate x impervious area in square feet divided by 3,460). The public services director shall be responsible for determination of the impervious area based on data available to him or by the property owner, tenant, or developer if such information is unavailable or deemed by the property owner, tenant, or developer to be in error in accordance with section 20-116. The director may require additional information as necessary to make the determination.

The minimum fee for any commercial parcel shall be equal to the rate of one (1) ERU.

“LIEN SEARCH” FEE

Per Code Section 2-253, “A fee of one hundred dollars (\$100.00) shall be paid to the city by any person requesting a written certification concerning unpaid special assessments, utility bills, code enforcement actions, or any other revenues due and directly collected by the city with regard to any property or real estate served by the city. Such fee shall be paid in advance by the person requesting such information and a separate fee shall be paid for each individual parcel of property or real estate for which inquiry is made. The city does not warrant or guarantee the accuracy of any such information furnished until final billing and audit”
