Where telework is not possible, consider how your current workspace could be reconfigured by installing physical barriers, placing visual markers, and implementing other measures that allow for social distancing.

7. To the extent possible, implement flexible childcare and sick leave policies and reiterate existing sick time and paid time-off policies to discourage employees from coming to work if they feel ill.

8. Develop a plan for monitoring your employees' health, with a particular focus on COVID-19 symptoms, with the goal of preventing ill employees from working.

10. Develop or update your employee contact system (e.g. phone tree, social media, texting, etc.) so you have a way to quickly reach all staff if there is a workplace COVID-19 exposure.

8. All staff, customers, vendors, partners, and other persons entering the establishment should immediately sanitize their hands upon entrance and should be encouraged to continue to sanitize hands routinely, and as otherwise required, throughout their time in the establishment.

9.
